Texture Art Painting, Giant Paper Flower, Clay Charm, Felt Paper Painting Magnet, Clay Marble Solitaire Game, Fabric Painting, pick your favourite, or come for all of them.

MESSAGE As the heat peaks, if you can place a water pot outside for the birds, go the extra mile and do that, a little kindness goes a long way. You can also paint the pots like a welcome message.

COMMUNITY HEADLINES

A NIGHT TO REMEMBER VOGUE X BENETTON

Taking a moment to look back at one of our most memorable evenings. MAGSA had the pleasure of curating the

art activity for Summer Collection Launch of Benetton India x Vogue India, held at the beautiful Bar Palladio, Jaipur. Sip & Paint evening surrounded by style, creativity, and wonderful energy, it was a night that reminded us how beautifully art fits into every celebration.

OUR FOUNDER AT ROOTS & SHOOT

Founder - Vasudha Sharma was warmly invited as a guest to a special Roots & Shoots gathering, as the organisation marked a meaningful milestone. She spoke about sustainability, a cause close to MAGSA's heart. A small but inspiring afternoon.

FEATURED ARTIST

Tanisha Rathi has been a dedicated student and artist at MAGSA for the past three years, developing a distinctive voice through her passion for traditional Indian art forms. Her captivating Pichwai series reflects intricate detailing, cultural richness, and spiritual depth beautifully blending traditional aesthetics with contemporary expression. With two exhibitions to her name, Tanisha's journey is a testament to her growing commitment to arts.

ART NEWS - MET GALA BECOMES ART CANVAS FOR FASHION

Every year, the MET Gala reminds us that fashion and art are never truly separate. This year's ensembles were moving canvases, layered with symbolism, craftsmanship, and storytelling. From hand-embroidered details to sculptural silhouettes, the red carpet felt more like a gallery walk than a celebrity event. The Gala, in all its spectacle, is a beautiful reminder that creativity has no boundaries, and that the most meaningful art often meets the world right where people are.

NAVKRITI - 5

Year after year, MAGSA's exhibitions has been it's heartbeat, and this year is no different. Days where you will find walls that speak, colours that linger, and art that stays with you long after you leave. Some traditions never get old, they only get richer.

ART TIP

Always sketch lightly before you commit. A soft pencil line costs nothing to erase, a heavy one takes the whole piece with it. This will result in a neat and clean result in the end.
